

Memorandum of Understanding

Between

Lawrence Technological University, Southfield, MI USA

And

Vidyaparisthan Institute of Information Technology, Baramati, India

This Memorandum of Understanding between Lawrence Technological University and Vidyaparisthan Institute of Information Technology reflects general consensus resulting from meetings between the leaders of these institutions.

We, the undersigned, have met in the spirit of international understanding and goodwill to explore the possibilities for enhancing cooperation for our students, faculty and staff.

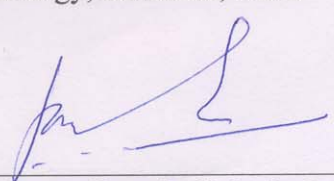

Both universities pledge to establish ties of friendship and cooperation for the purpose of promoting mutual understanding and possible academic, cultural, and personnel exchange. Both universities agree to work to facilitate opportunities for the exchange of faculty and students and joint programs.

Following very fruitful discussions between us, we agree to explore these goals at our respective institutions in the near future.

We sign this Memorandum of Understanding in recognition of our common interests and as a token of our goodwill and mutual esteem.

Signed:
